CALL FOR APPLICATIONS FOR A RESIDENCY GRANT

at UNIDEE – University of Ideas

Cittadellarte – Fondazione Pistoletto in Biella, Italy

Residency period: May 2nd – July 1st 2017

UNIDEE - University of Ideas (<http://www.cittadellarte.it/unidee>) of Cittadellarte-Fondazione Pistoletto format proposes an **educational model** based on ‘other’ ways of gaining experience in the **meeting of critical theory, activism and artistic practice**, not through subordinate relationships but rather through **levels of interaction, exchanges and reciprocal interference**.

Laboratory or seminar modules are held each week at Cittadellarte, moderated by a knowledgeable **mentor** with the support of a **guest**. The groups of participants, who are always different and arrive from all over the world, interact intensely as they discuss and examine relationships between **art and the public sphere** in depth, starting from different practices and going through connections with various disciplines. UNIDEE is an experimental school that uses methodologies, practices, the languages of art and the forms of activism to educate ‘*activators*’ or agents for the organisation of actions and processes responsible for change in the social contexts in which they live.

In 2017 the programme is based on a close examination of three macro-topics: **Revolution, Desire and Mediation**.

The structure of UNIDEE - University of Ideas is articulated through three types of activities investigating the relationship between art and public sphere:

- **Weekly residential modules taking place at Cittadellarte**, open to students (who can gain ECTS credits), professionals, activists as well as members of society. They are held by mentors who are experts on the three broad thematic areas chosen each year and examined in depth through participatory practices and a multidisciplinary approach.
- **Residency programmes for international artists at Cittadellarte.**
- **Connective Residency at Cittadellarte.**
