Sami Adwan

Professore di Educazione presso l'Università di Betlemme, Fondatore e co-direttore di PRIME - Peace Research Institute in the Middle East / Professor of Education at Bethlehem University, Founder and co-director of PRIME - Peace Research Institute in the Middle East.

... I believe an important variable that could really improve our lives and those of our children is the re-humanization of humankind. The source of dis-humanization in the Israeli-Palestinian conflict is occupation—for us as for the Israelis. In reality re-humanization is not costly: it is cheaper to build schools, good roads, good daycare centers, and an efficient health system. It is better than wasting money on mass destruction and the mechanism of destruction...
