

Arte al Centro 2008, *Architettura di Svolta / Turning Point Architecture*,
Cittadellarte, Biella 2008.

Giancarlo Allen

architetto, segretario nazionale di ANAB (Associazione Nazionale
di Architettura Bioecologica) / architect, National Secretary ANAB
(Associazione Nazionale di Architettura Bioecologica).

...everything we do inevitably changes the natural system in which we live. To build is the human action of greatest environmental impact; so, to design a new building, today, is in itself an inevitable step toward collapse... Every architectural design can be an excellent microcosm showing us how to deal with the collapse...
