

Festivalfilosofia - sui Sensi, Michelangelo Pistoletto & Cittadellarte,
La mensa delle culture / The Dining Table of Cultures, Galleria Civica di Modena /
Civic Gallery of Modena, Modena 2005.

Derrick de Kerckhove

Direttore del programma McLuhan in Cultura e Tecnologia, Università di Toronto /
Director of the McLuhan Program in Culture and Technology at the University of Toronto.

...today all knowledge is a product of faith, which derives from a position that does not produce religion, but in the end questions religion. Religion is already present in the future, we are already more or less all religious from the moment we interact on the presence of being, and from the moment we exist. Materialism is dead...
