

L'arte al Centro, *In Biella un nodo internazionale / An international meeting place*,
Cittadellarte, Biella 1998.

Henrik Kreutz

sociologo, fino al 2007 Professore ordinario di Sociologia e antropologia sociale
all'Università di Erlangen-Norimberga / sociologist, Professor of Sociology and Social
Anthropology at University Erlangen-Nuremberg, until 2007.

... there exists in our society no other principles by which you can establish a world of
its own except aesthetic values, and this means artistic activity becomes one of the cen-
tral principles and really independent institutions in a peaceful postmodern society, in the
other case I think we will have eternal civil wars ...
