

Arte e gastronomia / Art and Gastronomy, Cittadellarte, Biella 2005.

Giacomo Mojoli

vice presidente di Slow Food Internazionale / vice president of Slow Food International.

...The notion of identity and difference is a key concept at the present time in history and is the basis of Slow Food and of the whole history of Italian and international gastronomy. To appreciate a territory and its products, rediscover its identity, is of fundamental importance only if it leads to openness to the outside, to the traditions of others, to every aspect of biodiversity in agriculture, animal husbandry and nutrition...
