

L'isola interiore: l'arte della sopravvivenza / Inner Island: Art of Survival, Il Terzo Paradiso / The Third Paradise, 51. Esposizione Internazionale d'Arte / 51st International Art Exhibition – La Biennale di Venezia, 2005.

Achille Bonito Oliva

critico d'arte, docente di Storia dell'arte contemporanea alla facoltà di Architettura dell'Università La Sapienza, Roma / art critic, Professor of Contemporary Art History at Università La Sapienza, Rome.

...art is a massage of the atrophied muscle of the collective sensibility. The collective sensibility, made drowsy by the blows of television and telematics, is massaged by an alarm system that is art, is strengthened to become a collective muscle, so that it should not make war but nourish itself on the coexistence of differences...
