

La nuova agorà / Critique is not enough, Cittadellarte, Biella 2002/Shedalle, Zurigo / Zurich 2003.

Dagmar Reichert

teorica dell'arte, docente di Teoria della cultura, Zürich University of the Arts, Zurigo / art theorist and curator, Professor of Cultural Theory at Zurich University of the Arts, Zurich.

Detached positions for critique are no longer credible, critical remarks have become capitalized as production factors, critical art integrated in the leisure attractions of museums and shows... In its engagement for society, art has to become more penetrating.
