Europe" members

our training goals

our main goal is to provide to any participant cultural and professional knowledge about art and education

The program is focused on:

- educational function of the museum
- social responsible transformation through art
- learning theories and perception
- spaces and environment to facilitate learning
- managing of cultural enterprise
- to design, project, and realize an educational program

the course will be in english and have three different kinds of training sessions:

<i>lesson</i>	<i>formal presentation</i>
<i>lecture</i>	<i>informal presentation</i>
<i>workshop</i>	<i>practical experience</i>
